

my new album isnt a covid record was written late 2009, shit hittin like pre
ban mephedrone , def one for the ghost cities and empty streeeets, london
rain , free bendy nightbus N343 back to Peckham after the rave was blown
apart by the federale bluefoot mandem in vauxhall , came with oli wood bruv
but ended up leaving on my ones , chatted to bare randoms all loved up ,
074 numbers saved in my blackberry , peng ones, peng ones bfs , new soul
mates

cant remember the ending

euphoric Recall for the pre ban, if u know, u know,
